

The Department of Public Safety Standards and Training's Fire Program Presents the...

PerFORMance: Training Program Management

Saturday, November 18th from 8am to 2pm at Baker City Fire Dept.

***Break for Lunch from 12pm to 1pm.**

Target Audience: Chiefs, Training Officers, and Authorized Signers of DPSST Fire Forms.

The DPSST Fire Program's PerFORMance: Training Program Management course is designed to familiarize the student with the Fire Certification section's purpose, benefits, forms, requirements, and much more. By the conclusion of the course, students will come away with:

- A general understanding of the purpose of DPSST Fire Certification.
- The knowledge of Fire Program points of contact and how they can help.
- How to build a training file based on your agency's needs.
- How to successfully fill out and submit:
 - PAFs/E-1s
 - Applications for Certification
 - Applications to Instruct (F-9F)
 - Applications for Certification of a Course (F-20)
 - An understanding of several certification requirements and processes from the perspectives of both the Oregon fire service and Fire Program staff. Examples include background checks, fingerprint requirements, and how Oregon Administrative Rules update and opportunities for the Oregon fire service's participation in these updates.
 - Ways to stay informed on DPSST matters.
 - An FAQ on OSHA and DPSST Fire Training

This course is interactive and students are encouraged to engage in discussion and ask questions.

For questions contact BJ Lynch at blynch@bakercityfire.gov or 541-980-3881 or Brooke Bell-Urbe at Brooke.Bell-uribe@dpsst.oregon.gov or 503-569-8260.
